Department of Microbiology and Biotechnology Academic Year 2021-22

Blood Group Detection and Hygiene Awareness Camp

Objective: To detect the blood groups of individuals in the tribal area at Sant Dnyaneshwar Madhamik Vidyalaya, Balde, Tal – Shirpur, Dist - Dhule.

Activities: Students from M.Sc. with the help of some faculty members conducted blood tests to determine the blood groups of students and other members from the tribal area. This information is crucial for emergency medical situations and can also help in promoting blood donation. Students of B. Sc. prepared and presented posters. Other students presented a Street Play in local language for Hygiene awareness.

Target Audience: All the students from the school, faculty members from the school especially those who have never had their blood group identified.

Outcome: Participants received a card indicating their blood group, which they can use for medical records.

Brief of the Program:

Like every year, The Department of Microbiology and Biotechnology organized Blood group Detection and Hygiene Awareness camp on 06th August 2021. The program started with Inauguration of the program by Hon'ble Principal, Sant Dnyaneshwar Madhamik Vidyalaya, Balde, Tal - Shirpur, Dist - Dhule. Some glimpses can be seen on https://youtu.be/Tref6qC8hVg?si= egK8DaIZv5lSQhu. The post-inauguration programs included blood group detection by M. Sc. (Microbiology and Biotechnology) students, which resulted in the detection of blood groups of 171 primary and secondary school students. Many of them were unaware of their Blood Group, for which our students provided them with coupons mentioned with their Blood group and BMI. Simultaneously, our students from B. Sc (Microbiology and Biotechnology) arranged their posters and presented various general health issues which are faced in tribal areas. The students took a break at 01:20 PM for lunch,

after which it resumed again. The program was followed by a street play performed by students of Department of Microbiology and Biotechnology. Evidences can be seen on (https://youtu.be/p9WOCP_Z4kk?si=gWNo3Zd4KLA7guXQ). The President of the village Balde, Tal. Shirpur, Dist. Dhule (सरपंच) thanked the Principal, Head, Faculties and Students of Department of Microbiology and Biotechnology, R. C. Patel Arts, Commerce and Science College, Shirpur for their efforts for the success of this program.

Dr. Sandip P. Patil

Head,

Department of Microbiology

Department of Biotechnology

Some Glimpse of the program:

Inauguration of program by local Healthcare worker Dr. Amit Gujrati

Blood group detection by students of M. Sc.

Ongoing blood group detection
