To be a pre-eminent educational institute where teaching and learning brings out the best in the students.

Our aspiration and images of the desired future are,

- A distinctive institution which provides high quality education.
- Courses recognized for excellence, which bring pride to alumni, the state and us.
- Faculty at the frontiers in education and teaching excellence.
- Courses which attract top students, scholars and faculty and which produce prepared and differentiated students and promote lifelong learning.
- A work environment where all persons can thrive and realized their full ambitions and potential.
- Close and productive ties with alumni and industry.
- Student uniquely valued by industry.
- College being identified as an impact institution

- To impart the quality education to the students especially to the socially economically backward students from the middle class in the vicinity with a view that education will make them economically independent.
- To enable our students to face the unknown situations and to make them strong to face the problems of the rapidly changing and increasingly complex world.
- To make our students responsible, sensitive, socially committed and to develop in them spiritual insight and the ideas of patriotism, democracy, secularism, socialism and peace.
- To include skills and knowledge and awareness of our glorious national heritage.
- To inculcate in them the good qualities of heart and head this will help them to make the world around better place to live in.

- To impart the quality education to create the sensible, imaginative, responsible and creative youth.
- To Provide freedom to develop the natural and good qualities of boys and girls.
- To give value based educational experience.
- To offer a balanced curriculum along with unique co-curricular and extra-curricular experience.
- To sustain close and warm relationship between students and teacher.
- To provide all the opportunities to girls for their development.
- To usher in the modern and innovative knowledge and methods in the teaching, learning process.
- A continuous process of quality enhancement at all the level.

— **Shri. Bhupeshbhai R. Patel**
President,
R. C. Patel Educational Trust,
Shirpur

Principal's Message

Dr. D. R. Patil
Principal

Dear all,

I wish to extend my warm welcome to you into the family of R. C. Patel Arts, Commerce and Science College, Shirpur. It would indeed give us an immense pleasure to have you herewith us so that we can travel with right people at right direction to achieve our goals. The past years have flown speedily and I see RCPACS College is excelling in both academically and co-curricular wise. Friends you have joined a community that is made up of academicians, administrators and staff, all of whom are dedicated to ensuring that RCP's highest tradition of learning are carried out in an informal and friendly climate. RCP offers a place of learning and education to students from all backgrounds with highest academic standards.

Today the role of a college is not only to impart knowledge that encompasses the prescribed syllabi of the institution but that of the world beyond the class room. It is the role of the college to build and strengthen character that will not crumble when tested in the crucible of adulthood, and to develop qualities of good leadership that can be employed in the future for the creation of a superior nation. College started with its

foundation stone being laid 30 years back in 1991. We had a humble beginning with 1 classroom and 25 students, but with hard work and dedication we have been able to make giant strides. Today we have over 2500 students and one of the most modern infrastructures. We can today boast one of the most modern science labs, computer lab, life science labs, library, activity rooms and smart classrooms. The college is facilitated with high speed internet connectivity with Wi-Fi facility in the campus. We have smart boards and LCDs for ICT learning in classrooms which make teaching and learning more interactive and exciting.

In the past thirty years, the RCPACS College has grown not only in strength and size but in levels of excellence also. It is noteworthy that the college has received Permanent affiliation from the Kavayitri Bahinabai Chaudhari North Maharashtra University Jalgaon. Our college is also recognized by UGC Under section 2(f) and 12(b) and now we are fit to get UGC grants for research and academic developments. Our Many faculty members have achieved Ph.D. degrees in their subjects. This was only possible due to the dedication of the management and staff who have worked with a lot of zeal towards this end. It pays to pursue excellence and to paraphrase our president **Hon. Bhupeshbhai Patel**.

Thank you.

- **Dr. D. R. Patil**
Principal

The smooth functioning of the College depends upon observance of discipline by the students. The College can help the students better when Rules of Discipline are observed properly. Violation of these rules deprives the students of the advantages of different facilities provided by the College. Following are some of the important rules of discipline. Parents/Guardians are requested to direct their wards to observe the following Rules of Discipline:

1. Students must carry their Identity Card on person when in the College premises and produce it on demand
2. It is compulsory for students to attend the College from the day of opening to the last day of each term during academic year.
3. Student should behave respectfully to the teaching and non-teaching staff within campus and outside College premises; otherwise they are liable for disciplinary action.
4. Students must pay stipulated fees within the given time span.
5. Using mobile phones within the College campus/class rooms / computer laboratory / library etc. is strictly prohibited.
6. Students must report regarding their change of communication address if any to the College office. College will not be responsible for any loss of information due to change of communication address
7. All the students must participate in extracurricular activities that the College organizes from time to time.
8. All students must convey about their absence to the concerned HOD in case of illness or any other emergency cases
9. Ragging is strictly prohibited within or outside of College premises. Any student found guilty in this case shall be expelled from College. The fees will not be refundable in such cases. (Ref. Maharashtra Provision of Ragging Act 1999).
10. Any student found indulging in anti-social activities, creating nuisance or any other mischief like strikes, demonstrations etc. within College will be expelled from the College. The fees will not be refundable in such cases.
11. Parents are required to visit the College whenever requested by the Principal.
12. Smoking, chewing tobacco, consuming alcohol or taking drugs is strictly prohibited in the College. If any student is found in inebriated condition, he/she will be suspended / expelled from the College.
13. Students who seek admission to RCP ASC are bound to abide by the rules and regulations of the College as stated in the Prospectus and also laid down by the Principal from time to time.
14. Self Discipline is the best discipline. All students are expected to observe rules and regulations currently in force to enable the smooth working of the college.
15. Students are prohibited to do anything inside or outside the college that will interfere with its orderly administration or affect its public image. No outside influence, political or any other should be brought in to the college directly or indirectly.

(Please refer to K.B.C. North Maharashtra University ordinance regarding maintenance of discipline and good conduct by student at www.nmu.ac.in)
