Department of Computer Science Activity during 2020-2021

1. Quiz on Covid-19:

Over the last year, we have discovered a lot about endurance, perseverance and resilience as we have confronted the COVID-19 pandemic together. We have also learned a lot about the corona virus that causes the disease and how to stay safer. Now that you have absorbed a year's worth of information, you probably know more than you realize: Test your knowledge with this quiz.

Date: 30th April 2020
